## Product Discontinuation Notice

Dear Valued Customers,

We would like to inform you that our Miniature Slide Guide (SEB(S)-A, SER(S)-A) Series will be discontinued **effective June 30<sup>th</sup> 2021**.

After the effective date, the discontinued products will no longer be in production.

While we regret any inconvenience this may cause, we are eager to provide you the comparable products. If you are seeking interchangeable products, our SEBE-B and WB Series are the alternative options.
